

Dear North End Families,

Welcome back to the 2017-2018 school year. Our school will be participating in the Box Tops for Education™ program again. Clipping Box Tops is an easy way for you to help our school buy what it needs. Box Tops are each worth 10¢ and they quickly add up to real cash for our school. This school year, our school's earnings goal is \$1000.00.

The fall Box Tops collection will be **Oct 9th – 20th**

To ensure that every Box top is counted towards our school I have listed a few reminders when sending them in for submission.

- Please remember to cut the box top rather than ripping it. This is required for submission.
- Box Tops have expiration dates. Please check the date before sending it in with your child.
- Submit the Box Tops in an envelope or Ziploc bag with your child's and teachers name on it.
- Have fun collecting with your child by using a collection sheet.

Please visit the links below to help North End School receive additional Box Tops for our school.
